

União da Mocidade: Dates for your Diary 2018

Dear UDM drummers and parents

These are the list of performance dates from União da Mocidade 2018. For more details please watch for emails sent from UDMSamba. If this hasn't been received please send an email to bateria@udmsamba.com and I will add you to the mailing list – also please check your junk/spam and add our address to your 'safe list', since it is a mailing list it quite often ends up in junk/spam. The gigs usually take all day so it's best not to plan anything else the same day, exact timings will be given by email nearer the time.

Performers will need WHITE SHOES/TRAINERS. T Shirt gig will be white trousers and costume gigs (all from Southwest fest on) will be black trousers. We can provide or you can wear your own.
